Picture Days Schedule-Pictures will be taken at the studio. Dancers should arrive 10 minutes ahead of scheduled time for their group number-in costume, hair done and make up as checklist notes. We must stay on schedule so please be sure to leave yourself enough time. If your dancer cannot attend this day please be sure to let the office know so we are not looking for you that day. For individual pictures you can arrive early and have them done before the group or after their group is done. \*\*Team Small group TBA
